

# RULES OF GOLF WORKSHOPS AND SEMINARS

The MGA offers a variety of rules programs to meet the needs of its 400 member courses and the golf community at large. In order to ensure the MGA has the best-prepared Rules Officials, tournament volunteers are strongly encouraged to attend an MGA or USGA rules education program on a regular basis. These include:

- **One-Day Rules Workshops**
- **Two-Day Rules & Officiating Workshops**
- **Tournament Volunteer Orientations**
- **Customized Rules Programs for MGA Member & Affiliate Clubs**
- **Rules Programs for Golf Industry Professionals, including the PGA and GCSAA**
- **Rules Programs in conjunction with the Minnesota State High School League**
- **Rules Programs for school and college golf teams**
- **USGA Rules Exam**

Persons attending the Two-Day Rules & Officiating Workshop may choose to take the optional exam at the end of the class. This exam is patterned after the one given at the conclusion of the USGA/PGA Rules Workshops. Anyone scoring 90 or better on the MGA exam or 80 or better on the USGA exam, will be classified as a “Certified Rules Official” in Minnesota. The certification is good for four years.
