

The week ahead at your Club!

Tuesday League underway, make those tee times, because the weather says **GOLF!**

Call the Golf Shop and get back in your routine!
218.728.3285, or online tee times via the website at
www.ridgeviewcountryclub.com

It's a "Tappy" Tuesday featuring 6 of your favorites (5 local) on tap, and **\$1 off from 3 to Close every Tuesday!**

From the Business Office: Please connect with Sue at 218.728.5128, or at sseitz@ridgeviewcountryclub.com to keep your on file CC current & accurate. Club policy states each member must keep a current CC on file, and we are only 21 members shy from 100% compliance.

We appreciate everyone signing their tabs each & every time at the club, but know sometimes it does get missed, and if so, we'll keep your account current, and help you avoid any monthly finance charges by using that CC provided.

Stay on top of your account, give it a monthly audit, and know we are here for any discrepancies you come across. Take a copy of your daily expenditures home, and/or set-up monthly auto-debits, which we schedule on the 10th of each month, and make it easy to just play golf!

Thank you for your help on this Club policy!

Inquire in the Golf Shop, next time you stop in to confirm your user name and password for **online tee times**, making it easy to know the next time your group is on the tee!

Lower Range now an option to work on your game, just take care and be aware of golfers playing #15, safety first!

Please take heed, using your best etiquette in keeping the Club looking its' finest:

- ~by always repairing your ball marks & filling those divots
- ~golf attire is required, denim is allowed
- ~no pistachios or sunflower seeds on the course
- ~& please dispose of your cigarette & cigar butts accordingly

Thank you!
