Inquire in the Golf Shop, next time you stop in to confirm your user name and password for **online tee times**, making it easy to know the next time your group is on the 1st tee!

Lower Range now an option to work on your game, just take care and be aware of golfer's playing #15, safety first!

Please take heed and use your best etiquette in keeping your Club at its' finest:

- ~by always repairing your ball marks & filling those divots
- ~golf attire is required, denim is allowed
- ~no pistachios or sunflower seeds on the course
- ~& please dispose of your cigarette & cigar butts accordingly

Thank you!

Official ballots are in the mail to all shareholders. Exercise your right to vote, and get your ballot returned to the Club by 630pm May 21st, when the Annual Meeting is called to order.

Please return your sealed ballot, when convenient, to either Clint, or Sue in the Business Office, and thank you candidates! Good luck all!

No ACES yet at RCC, but when there is, and you are here, it means a free drink for everyone at the Club that day. (21 and over....) Hole-in-One Insurance covers all of our members, we keep track, and then charge each member \$1/per ace from the previous

season. So feel free to take proper aim, use your good eye, and knock it in!
We love a reason to make things all the more fun, and you'll want to be here, so you don't miss out!

Join the Coffee Club! Pay \$25 today, and enjoy fresh coffee all season long in the Grillroom at RCC! Sign-up sheet ready to go, and the coffee is always available, thank you for your support. I hear it goes great with a little Irish Cream...

New Member Promo! Details, numbers, and applications are available on the website www.ridgeviewcountryclub.com

20+ new members so far, thank you & welcome to your new Club! All of your comped amenities (guest passes/cart passes are in the Golf Shop, envelope with your name on it, ready to use on your next visit.) See Kyle Ekstrom for Club Storage, and make yourselves at home! F & B credit is sitting on your account as well, just waiting for you to take advantage!

Men's & Women's Locker Room inventory underway, and a waiting list has formed for full lockers.... See Clint to get a locker at the end of this week, and I'll reach out to those on the list to get you moved in to your new digs. Thank you! A nameplate list will start as well, and we'll get them printed and on your new locker just as soon as few more chime in. 1-time \$50 charge for the nameplate, and we hope you keep it on there forever!

This is year 3 for Men's Locker room founding sponsors, enjoy 1 more year rent-free! All other renters will auto-renew as of May 31st, and a rental fee will appear on your next statement, thank you!
