The previously scheduled Couples Scramble for July 17th has been cancelled, as we find that golf doesn't need the gimmicks for now. Enjoy the course as you would, and keep making those tee times! The less interruptions the better!

Remember to always replace, or fill your divots, repair your ball marks, dispose of your cigar & cigarette butts accordingly, and sunflower seeds & pistachios are not allowed at RCC!

Most importantly ~ Never take your frustrations out on the greens....and we hope your playing mates hold you accountable! Keep RCC beautiful as we all do our part!

The Greens Committee will keep us posted for future divot filling parties, always looking for help, and an opportunity to show off that Club Pride. If the time allows, we may be staining the deck, and painting some doors too, if you have the aptitude, we'll gladly take advantage...thank you all for your volunteerism!
