**Great Shots!**

Congrats Kyle Ernst on your ace this past week at The Arrowhead, great shot....been awhile for the membership to get out here, expect another 1, or 2 today at the 'Ridge!

**What a week it was at the 94th Men's Arrowhead Invitational!**

We put on a show, had a great field of participants, and learning as we went, pulled it off with flying colors for all that came out to witness. The weather was perfect, the competition stiff, great food & drink, attentive service with a "masked" smile all together making it fun, new, exciting and memorable event. We missed our friends from the "North of the Border," but will hold a spot for them all to rejoin the action again next year!

Congrats to the now 3-time Champion Alex Kolquist, topping last year's champ Taylor Sundbom, with a 20 foot putt for birdie on #15 in the Final. The gallery grew & grew, a great day to watch great golf, and they got it at RCC all week long! Alex had won the CCC Invite prior, and will have to try for the 3rd leg of the Local Slam at NCC in a couple weeks. Good luck and keep representing!

Congrats to Lee Leksell, in topping Gary Luke for the Men's Senior Championship 1 up in 20 holes! These guys played great golf too, put on a show, and that bracket gets better & better every year.

We thank all the participants for coming, staying clean, enjoying their week with us, and making plans to join us at the 95th edition next July 21st through the 25th, in our Centennial Anniversary Season at the Arrowhead.

Good luck in your title defense gents! We also thank the membership for giving up the course, participating, spectating & for your general support of what makes this place

the envy of all who get the chance to stop on by! Tournament Director Justin May was also crucial in hosting, oversight, planning, and johnny on the spot for rulings too, thank you sir!

Special thanks to the staff: Wes & the crew for having the course setup and looking good, Head PGA Pro Paul, Kyle, Sax, Max & the bag room crew for their meticulous scoring, staging, servicing, cleanliness, safety protocol following too; an all-around job well-done, Chef Dan and all the Front & Back of House service staff for their efforts in the midst of gathering crowds, being able to provide for the masses all the while keeping our environs clean & welcoming for everyone on site at any given time. Keep it up, it will all be worth your efforts, I cannot appreciate you enough! #loveu
